STAT 4. [] Talked to Drury Blair, on the Senate
Subcommittee on Immigration and Naturalization staff, concerning the Rodino
bill and specifically what their procedures will be in the absence of Fred
Mesmer, Staff Director. Blair said that he will act for Mesmer in Subcommittee
meetings and that if the Rodino bill comes over from the House there is no
reason he can not handle it in Mesmer's absence. He noted that at this point
the only critical factor is time.
